Application No. 8

Office of the Secretary  
Federal Communications Commission  
Washington, D.C. 20554

ATTN: Common Carrier Bureau

This Application for Special Permission requests waiver of Sections 61.58 and 61.59 of the Commission's Rules to allow Aliant Communications Co. (Aliant) to modify material filed on 12th Revised Page 161 under Aliant's Transmittal No. 38 of its Interstate Access Tariff F.C.C. No. 1. In this regard, on June 18, 2001, Aliant filed its annual price cap tariff revisions pursuant to the Commission's requirements set forth in the Commission's 2001 Tariff Review Plan, DA 01-1105. This filing reflects changes in the EUCL rates.

Aliant submits that a grant of this request is in the public interest because the revised rates are correct and will result in certain EUCL charge corrections. Accordingly, a waiver of Section 61.58 is requested to allow Aliant to make this filing on not less than one days notice, to become effective July 3, 2001. A waiver of Section 61.59 is requested to allow Aliant to change material not yet in effect.

Pursuant to Section 61.153(b) of the Commission's Rules, the original letter, F.C.C. Form 155, and a check for \$655.00 to cover the filing fee, is being delivered via the same day courier service to the Wholesale Lockbox Shift Supervisor c/o Mellon Bank.

This request for special permission has been filed electronically with the FCC using the ETF system. All correspondence and inquiries in connection with this Application should be directed to Scott Terry at (501) 905-5397. Mr. Terry's fax number is (501) 905-5087.

Respectfully submitted,

Jeffrey W. Reynolds  
Vice President-Access and Interconnection Pricing
